Coaches Wish List Purchases
2007-08

Funding of the “Coaches Wish list” is dependent upon sufficient and active membership as well as member assistance with fund raising events. We ask that you consider your active involvement as this is very important to our organization.

Last year we have developed the Wildcat Athletic Support & Development Fund which will allow for another avenue for additional fund raising. We are hopeful the WASD Fund will allow for increased support to Wildcat Athletics.

The Booster Club desires to continue to upgrade our support of Wildcat athletes and programs. We continue to add new activities and would like to include your ideas for improving our support.

We need your involvement to make this work. Please join us in support of -
